THE ARMY OF LIBERATION

Towards the end of this month fifty-five people representing the thirty-one-million souls in Nigeria will leave this country for a Conference in London. Just like those Nigerian heroes who fought the first and second World Wars so that there might be peace and freedom all the world over these great sons and daughters of Nigeria are going to demand freedom for the people of this country. It is indeed an achievement that we have been able to throw aside the notorious Macpherson Constitution. We have now been given another chance for a redrawal of a new one. Let us all now sit down together and take stock of the old Constitution. Our leaders must guard themselves against all the imperfections, the anomalies and the powers that wreck the old boat. There must be no question of a [illegible] by error. Our demand is quite simple, our case is not going to be novel. What we demand is a simple and workable Constitution that will mean freedom for all and life more abundant for each and every Nigerian. May the God of Africa be with them.

For the first time since 1st May 1938, Nigeria is to have a complete new issue of postage stamps.

Announcing this the Minister for Lands, Survey, Local Development and Communications (the Hon. [illegible] Akpan) says that on the 1st of September there will be placed on sale at all Post Offices and postal Agencies in Nigeria and the Cameroons a complete new series of postage stamps which will replace the existing issue in its entirety. The new series will comprise the following denominations.

½d, 1d, 1½d, 2d, 3d, 4d, 6d, 1/- 2/6d, 5/-, 10/- and 20/-.

Each stamp will depict a different scene from the life, customs industries or historical background of Nigeria and its peoples. All the stamps will be of large size, and printed in a variety of colours.

All denominations of the CURRENT series of postage stamps will be withdrawn from sale after the close of business on the 31st of August, 1953, and no more will be sold after that date. It is emphasised however that any stamps of the current series in the possession of members of the public will continue to be valid for all postage purposes until further notice.
