**Ministry of Education Western Region
WESTERN REGIONAL GOVERNMENT
SCHOLARSHIPS**

The Western Regional Government has decided to bring its scholarships awards for the year 1955/56 up to a total of 100, as advertised in Regional Gazette Notice No. 356 of 1955, by making a further 12 awards for degree courses in Agriculture and Forestry in the proportion of 8 for Agriculture and 4 for Forestry.

2. Applications are therefore invited from suitably qualified candidates of Western origin for awards tenable at the University College as well as in Colleges and Institutions abroad.

3. Suitable candidates already serving in the Agricultural or Forest Department will also be considered for awards provided they hold Grade II Cambridge School Certificates with credit in at least one science subject. All other candidates should ensure that their academic qualifications are sufficient to enable them to be placed in suitable institutions to undertake degree courses abroad, as no scholarships will be offered for pre-University training except to those candidates selected from the Agricultural and Forest Departments.

4. Application forms can be obtained direct from the Secretary to the Western Regional Scholarship Board, Ministry of Education, Western Region, Ibadan Nigeria, or in the case of persons in the United Kingdom from the Office of the Commissioner for Western Region of Nigeria 18, Grosvenor Gardens, London SW1.

5. Application forms must be returned direct to the Secretary to the Scholarship Board through Heads of Departments in the case of Government employees, and through Principals of Schools or Colleges or through employers as appropriate in all other cases and should be received not later than 29th February, 1956.

6. Central or Regional Ministers must not be given as referees, and applicants who resort to canvassing will be disqualified.

7. Successful candidates will be required to enter into a bond to serve the Western Regional Government for a specified period of time after the successful completion of their courses of study.
