We Protest

We the Executive Members of the Action Group, Jebba Branch, with due deference beg to register our protest against the Motion which honourable D. K. Olumofin N.C.N.C Opposition Member of the Western House of Assembly moved in the Session of the Western House of Assembly. The motion in question reads "Calling the Western Nigeria Government to institute an independent commission of inquiry into allegations of bribery and corruption in the Region.

We wish your honour to discountenance this motion because it is ill-conceived, unwarranted prejudical and provocative and motivated by ill-feelings. The mover intends to use the motion as a camouflage to distract the attention of the Westerners from the news of allegations of bribery and corruption alleged against the leaders of the N.C.N.C. in the Eastern Region and to confuse the issues in order to discredit the Action Group good Government. We vehemently protest against this motion.

We re-affirm our confidence and trust in the leadership of our leader and premier Honourable Cheif Obafemi Awolowo and his assistants.
