Independence Commemorative Stamp Design Competition

The Federal Government of Nigeria proposes to issue a special set of four stamps to celebrate the independence of Nigeria which it is anticipated will be on the 1st October, 1960.

2. For this purpose it is proposed to hold a stamp design competition and members of the public are invited to submit designs.

3. The proposal is for four denominations, namely, 1d, 3d, 6d and 1/3d, each of a different design which must be indicative of the occasion. Where the motive of the design is not apparent a note should be added explaining the significance of the colours and symbols. The design should be suitable for reproduction by the Recess or Photogravure printing processes, and should omit the denomination of the stamp.

4. The stamps are to be size 38 m m by 25 m m in either horizontal or vertical format, and the drawings submitted should be of size "9 x 6". They should be completed in the colours proposed and in the form of 'finished roughs'.

5. The names of competitors should not be shown on the drawing but on a separate sheet attached to the drawing. The drawings should be enclosed in an inner sealed envelope which should be clearly marked "Nigeria Independence Stamp Competition" and should bear the competitors name and address on the reverse side of the envelope.

6. A prize of £100, together with a souvenir of the occasion, will be awarded for each designs accepted for inclusion in the series.

7. All designs submitted will remain the property of the Federal Government of Nigeria. The copyright in accepted designs will also become the property of of the Federal Government.

8. Adjudication of the designs submitted will be by the Independence Celebrations Committee, who will make its recommendations to the council of Ministers, whose decision will be final.

9. The inner sealed envelope referred to in paragraph 5 above, should be securely packed so as not to suffer damage in transit and contained in an outer sealed envelope, addressed to "The Controller of Posts, Posts and Telegraphs Headquarters, Lagos". The name and address of the sender should not appear on the outer envelope. The outer sealed envelope should be registered.

10. Entries should reach the above address not later than the 31st March 1959. Entries received after this date will not be eligible for the competition.
