Compensation for British Interests in French Nationalised Gas and Electricity Undertakings

An Agreement has been concluded between the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the French Republic relating to the terms of compensation for British interests in French nationalised gas and electricity undertakings.

British nationals who are the present owners of such interests and who wish to claim compensation under the Agreement may obtain further information about the provisions of the Agreement and the procedure for the submission of claims thereunder, on application to their nearest British Embassy or Consulate, or Commonwealth or Colonial Administration.

The French Government has agreed to an amendment of the Agreement to provide for an extension of the time-limit for the submission of declarations of acceptance, until the 11th September, 1951.
