**CONSTITUTIONAL DEVELOPMENTS**

The first of these courses, which was held in June and July of 1952 and was attended by 24 members and officers from overseas, was an experiment in view of the success and the importance of a

knowledge of procedure and the working of such legislative institutions to their members and of the wider legislatures of the Commonwealth, and particularly in those in which constitutional developments are taking place. The General Council and the United Kingdom Branch of the Association have decided to continue the course for the second year and deferred from June to November but it is hoped that a third course will be held in the summer of 1954.

**Message From H E Poppy Day**

Sunday, the 31st of November in Remembrance Day. On this day particularly I hope on this day too we remember those who gave their lives for us in the great war and those who suffered from disabilities as a result of war wounds and sickness. We remember many of our nation's great and good men. Most especially we remember the Nig. Riv. Serv. men and renew our pride in the part they played in both Wars. Poppy Day is on Saturday the 1st of November. This gives us all an opportunity of giving practical help to our pride and gratitude. The money collected from the sale of poppies in Nigeria is used by the Nig. Riv. Serv. men's Welfare Association to give extra help and comfort to the dependants of those who lost their lives, and to those who were disabled.

This help takes the form of special allowances (additional to such pensions as are drawn) and in special cases the provision of items of equipment such as hearing aids and the like.

We are all grateful to the Association for its work in this field, and because its income from other sources is getting less, it is our duty to subscribe generously by giving at much as we can afford.

for the poppies we buy. I am grateful to all those who signed and carry on the Poppy Day collection, and I send them my best wishes for a very happy collection this year.

The amount collected on Poppy Day, 1952, was a record, let us all see to it that we give equal or a better one by buying the 31st of Nov. this year.
