LAGOS TOWN COUNCIL

CONTRACT FOR SEWAGE DISPOSAL

TENDERS are hereby invited for the clearance of Nightsoil in each of the following zones of Lagos:–

ZONE 1 — Western Portion of Lagos Island, comprising Municipal Wards 'A' East, 'A' West 'B' East, and 'B' West.

ZONE 2 — The Eastern Portion of Lagos Island comprising Municipal Ward 'C' East 'C' West 'H' South and Ikoyi and the Victoria Beach Area of Municipal Ward 'G'

ZONE 3 — Lagos Mainland and Iddo Island comprising Municipal Wards 'D', 'E' East, 'E' West, 'F' North and 'F' South.

CONDITIONS OF CONTRACT

Tenders must provide for the clearance of Nightsoil in accordance with the following conditions:-

1. (a) In Zone 1 all sanitary pails in this Zone (including those in public latrines) totalling approximately 5,500 pails in each case, must be cleared.
   (b) In Zone 2 all Sanitary pails in this Zone (including those in public latrines) totalling approximately 4,500 pails in each case, must be cleared.
   (c) In Zone 3 all sanitary pails (including those in public latrines) which are at present serviced by the Council, totalling approximately 2,000 pails must be cleared.
2. All sanitary pails must be emptied and cleared daily, and the nightsoil therefrom must be removed by the Contractors to the Council's depots or to a specified tipping point on the foreshore.
3. The transportation of nightsoil from the Council's depots to the foreshore will be the responsibility of the Council, but the contractors will be required to tip nightsoil at the foreshore where no depots are provided.
4. Clearance of all pails must be carried out daily and the contract will provide for a penalty of five shillings per day (which will be strictly enforced) in respect of every pail not cleared.
5. Contractors must provide a labour force consisting of at least one labourer for every 40 pails to be cleared and a literate headman will be required to inspect personally every day all premises from which pails are cleared.
6. Contractors must provide drums for the collection of the nightsoil.

PROVISION OF BOND.

Contractors will be required to enter into a bond with the Council for payment, in the event of default, of an amount equal to ten per cent of the value of the contract for a period of six months, and persons tendering must submit with their tenders the names of two substantial bondsmen who are willing to become bound with them for the due performance of the work.

METHOD OF TENDERING.

1. Persons tendering must quote the amount to be charged per pail per month for the clearance of nightsoil in accordance with conditions set out above.
2. Separate tenders must be submitted for each of the three zones.
3. ALL TENDERS must be enclosed in sealed envelopes endorsed outside "TENDERS FOR SEWAGE DISPOSAL", and must be addressed to the Town Clerk, as to reach him not later than 2 p. m. on MONDAY, March 21, 1960.
4. The Council is not bound to accept the lowest or any tender.
